## EUROPEAN CONGRESS OF MATHEMATICS

DOWNLOAD

Book Condition: New. Publisher/Verlag: Springer, Basel | Barcelona, July 10-14, 2000, Volume I | The Third European Congress of Mathematics (3ecm) took place from July 10th to July 14th, 2000 in Barcelona. It was organised by the Societat Catalana de Matemàtiques (Catalan Mathematical Society), under the auspices of the European Mathematical Society (EMS). As foreseen by the EMS and the International Mathematical Union, this Congress was a major event in World Mathematical Year 2000. In addition to reviewing outstanding research achievements, important aspects of the life of European mathematics were discussed. Mathematics is undergoing a period of rapid changes. Effective computation and applications in science and technology go ever more hand in hand with conceptual developments. It was one of the aims of 3ecm to reflect this mutual enrichment, while steering present and future trends of mathematical sciences. In fact, the motto of the Congress, Shaping the 21st Century, was meant to capture these views. Nearly 1400 people from 87 countries gathered together in the Palau de Congressos of Barcelona in order to take part in the activities of the 3ecm scientific programme: Nine plenary lectures, thirty invited lectures in parallel sessions, lectures given by EMS prize winners, ten mini-symposia on special topics, seven round tables, poster sessions, presentations of mathematical software and video exhibitions. Twenty events were satellites of 3ecm in various countries. | Table of Contents of Volume I.- Articles by Plenary Speakers.- The Mathematics of M-Theory.- Probabilistic Aspects of Financial Risk.- Flags and Lattice Basis Reduction.- Moduli, Motives, Mirrors.- The Role of Oscillations in Some Nonlinear Problems.- New Families of Solutions in N-Body Problems.- Irreducible Modular Representations of a Reductive p-Adic Group and Simple Modules for Hecke Algebras.- Dequantization of Real Algebraic Geometry on Logarithmic Paper.- Articles by Parallel Speakers.- Advances on...
