

Essays on Teaching Social Studies

By D.B. Rao, Marlow Ediger

Discovery Publishing House Pvt. Ltd., 2011. Hardcover. Book Condition: New. Social studies is the integrated study of the social sciences and humanities to promote civic competence. It is most commonly recognized as the name of a course or set of courses taught in schools, but may also refer to the study of particular aspects of human society around the globe. Social studies includes various fields which involve past and current human behavior and interactions, such as sociology, history, political science, economics, religion, geography, anthropology and civics. Now the teaching of social studies is made a compulsory school subject across the world and such subject needs successful teaching. In the successful teaching of social studies, the teaching learning equipment, the teacher, the curriculum, the library, the social studies laboratory, the academic atmosphere, the teaching-learning programmes, etc., play their legitimate role. The book will be of great use to curriculum designers and teachers and administrators. Table of Contents Teacher and Students in Social Studies Collaboration in Teaching Social Studies Teaching Social Studies in Modern World of Agriculture Children's Literature in Social Studies Curriculum Scope and Sequence in Social Studies-Revisited Mentoring in Social Studies Metacognition, Reading and Social Studies Leadership in Social Studies...
