

Knowings: In the Arts of Metaphysics, Cosmology, and the Spiritual Path (Paperback)

By Charles Upton

Sophia Perennis et Universalis, United States, 2008. Paperback. Book Condition: New. New.. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As the poet T.S. Eliot said, Where is the wisdom lost in knowledge? Where is the knowledge lost in information? Our postmodern information culture forces us to be over-cerebral, but it doesn't teach us to think; consequently it becomes nearly impossible for us to imagine a knowledge that is beyond information, much less a Wisdom that is beyond knowledge. We all know what it is to uselessly spin our wheels in barren thought and fantasy; certain valid contemplative disciplines even have as their main goal the pacification of the monkey mind, the over-heated brain that prevents us from genuinely living our lives, from being fully present to the world, to each other, and to ourselves. But such pacification can also have a nihilistic side to it. It can subtly fool us into believing that the pursuit of meaning, the attainment of intellectual stability and certainty, is neither possible or desirable - a belief that is of great use to the political and economic Powers That Be in the emerging global society, who...
