Kenny Rosnoski finds himself having dreams of a beautiful young woman. He feels a connection to her and can't explain it because he's sure they've never met. When he inherits an old house from his grandmother after her death, he decides to renovate it and discovers an old mirror in a room he'd never been in. After he sees the same woman from his dreams in his room, he goes to investigate, only to discover the mirror is a portal to another time and the woman is most definitely real—and living 150 years in the past! Annica Miller was treated more like a servant than a daughter by her own mother. She spends time in her room to try and escape her mother's harsh treatment. When she discovers the magic of the mirror in her room, she uses it as a way to hide away from her own life. Little does she know she'll meet the man of her dreams—a man who lives 150 years in the future! This item ships from La Vergne, TN. Paperback.
