As adults, we all know that math skills will be vital to every child s future. It helps them in school, at work, in social situations, and in all areas of life. You simply cannot get along without it. But when kids struggle, and many do, we need a way to help. As parents, We know that success in math doesn t come easily for all children. Some time ago experts have discovered the simple secret to success in math - FUN! When children enjoy math and have fun with math - they learn. It really is that simple. Experts also agree that children learn far more readily when they are having fun. So what is the simplest way to have fun with math? MUSIC!!!!!!!!.and not just regular music, but the music that kids love and listen to everyday HIP-HOP!!! only this time without the language and subject matter that we as parents DREAD! Multiplication Hip Hop for Kids is an excellent way to introduce your kids to multiplication. This dynamic and entertaining package will help build the solid foundation your child will need to succeed in school and in the future. The music covers the 1 - 12 tables. Each individual track repeats the lesson 4 times. The first two times your child is able to review and repeat the lesson along with the music. The third is an interactive test of your...
