Reviews

This publication is wonderful. Better than never, though i am quite late in start reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be he finest pdf for actually.

(Ms. Sydnee Lesch)

ON THE FIVE OBSTRUCTIONS (PAPERBACK)

WALLFLOWER PRESS, United Kingdom, 2009. Paperback. Book Condition: New. 206 x 150 mm. Language: English . Brand New Book. Released in 2003, Lars von Trier and Jorgen Leth s collaborative film has been received as one of the most intriguing and significant cinematic works of recent times. The film comprises five episodes, each a re-creation of Leth s classic film *The Perfect Human* (1967), but with five different creative constraints, or obstructions . This first issue in the Dekalog series brings together writers from diverse disciplinary and national backgrounds. Together the essays present a case for seeing *The Five Obstructions* as a philosophically compelling cinematic work that tests our understanding of key psychological, aesthetic and ethical issues: the role that other people play in facilitating self-understanding; creativity and its relation to constraint; individual style as an artistic problem; filmmaking as a form of play; the pragmatic effects of nesting works within works; and the ethical limitations of aestheticism. An interview with Jrgen Leth helps to clarify aspects of the films context of production, including von Trier s manifesto-like call for works situated at the very boundary of fiction and non-fiction.
