MEDICINE, METAPHORS AND METAPHYSICS

SPS Mai 2014, 2014. Taschenbuch. Book Condition: Neu. 220x150x23 mm. This item is printed on demand - Print on Demand Neuware - Is there a point at which medical intervention becomes counter productive This work is an examination of this concept, contending that as health policies increasing shift towards evidence-based and guideline-driven practice they risk losing sight of the complexities and ambiguities inherent to human physiology and patients' lives. Heuristics and cultural constructs ('more is better') are all too often...

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was writtern really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be he finest ebook for ever.
