By Joseph Ray

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ray s New Intellectual Arithmetic Few works on Intellectual Arithmetic have received more unqualified approbation, and a more extensive patronage, than this, which, for several years, was published under the title - Ray s Arithmetic, Part Second. The numerous editions demanded have again rendered necessary a renewal of the plates; this has afforded an opportunity for remodeling the work. Many important improvements have been introduced, with a design to impart completeness, and give a concise and progressive course of arithmetical analysis. The volume in its present form, embraces: 1st. Exercises on the primary principles, and their applications; together with models of analysis in the shape of solutions. 2d. A progressive and comprehensive presentation of Fractions, intended to render the subject intelligible and attractive. 3d. General Reviews, designed to test the pupil s knowledge of principles, preparatory to the applications of mental analysis which follow. 4th. Reduction and Percentage, with the application of the latter to Profit and Loss, Commission, Insurance, Interest, and Discount. The value of Intellectual Arithmetic is so highly appreciated, that little need...
