

Quick-guides to Inclusion: Ideas for Educating Students with Disabilities (2nd Revised edition)

By Michael F. Giangreco, Mary Beth Doyle

Brookes Publishing Co. Paperback. Book Condition: new. BRAND NEW, Quick-guides to Inclusion: Ideas for Educating Students with Disabilities (2nd Revised edition), Michael F. Giangreco, Mary Beth Doyle, The "Quick-Guides" are a fast, reliable source of information for educators working in inclusive schools. They are written in accessible language and the information is delivered in a friendly format. Each full "Quick-Guide" book contains 5 actual "Quick-Guides", which are further broken down into 10 lessons. The three books of the first edition included information on the following general topics: Including Students with Disabilities in the Classroom; Building Partnerships with Parents; Creating Partnerships with Paraprofessionals; Getting the Most Out of Support Services; Creating Positive Behavioral Supports; Adapting the Curriculum; Instructional Strategies; Communication Systems in the Classroom; Administration in Inclusive Schools; Transition from School to Adult Life; Literacy; Self-Determination; Friendship; Differentiated Instruction; and High School Inclusion. This new edition, which will be published as a single volume, will include 5 new "Quick-Guides" on the following general topics: Teaching Writing; Teaching Math; Cross-cultural Issues; Universal Design for Learning; and Student's Perspectives. It will also include two new "Quick-Guide Extras" on Community-Based Instruction and Simple Technology to Encourage Participation.

Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).

-- **Leslie Reinger**

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
