Jack Keeper Marconi is desperate to move on from his former job as a prison warden, from his wife's horrific death in a car accident, and, most of all, from the torturous suspicion that the hit-and-run driver was actually aiming for them. But when three years later Keeper catches a glimpse of the ominous black Buick that broadsided their car, he knows what he must do: find that driver. Even as his life is hurtled off axis, a PI case comes his way. A beautiful woman an author on an assignment gone wrong has been locked up in a notorious Mexican prison. Keeper has no intention of accepting the near suicide mission to break her out. But when he discovers that her case could somehow be connected to the hit-and-run driver, there's no stopping him. It's time for justice. Time for truth. Time for revenge.
