Language: English Brand New Book ***** Print on Demand *****.The Double Sided Wish is the third in the ongoing Tazarian Series of adult, Science Fiction Fantasy novels. Meteors fall on Hyla setting forth events that send the population into a deep sleep from which only water can arouse them. Crystal is the only one awake to see the remaining half of the falling Orb collide with Matherath Mountain. She wakes up 45 cycles in the past, her body atrophied from four months in a coma in an Earth hospital. Her now altered past life is repeating itself, and she begins a desperate journey to heal her frozen flesh and return to Hyla to save the future as she knows it. Set amidst a land where dragons fly and magic is the norm, this wondrous adventure takes you back into the life of Hyla s two highest power healers and their ever-growing family. The family and all of Hyla s healers are faced with the battle of life verses death; living verses the quality of life. They are forced to test their vows to the beings of Hyla and choose who will live or die. Peppered with humor, sadness and stark emotion, this thought provoking tale leaves you pondering the very different cultural beliefs between the Orbs of Earth and Hyla.
