

Middle School Geometry for the Common Core (Paperback)

By Learningexpress LLC

Learning Express (NY), United States, 2015. Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book. These middle-school level mathematics books address the skills students must master to excel on in-class and standardized tests. Aligned to Common Core standards, the math in these books is presented in short and snappy lessons that build on each other one step at a time. What's more, the lessons teach by example, promoting learning by understanding not memorization. Most lessons are reinforced by sample questions for students to try on their own, with clear, step-by-step solutions. Each book also includes loads of valuable memory hooks and shortcuts to help students retain what they are learning.

Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
