LES LIAISONS DANGEREUSES (PAPERBACK)

Oxford University Press, United Kingdom, 2008. Paperback. Book Condition: New. Reissue. 194 x 128 mm. Language: English . Brand New Book. The complex moral ambiguities of seduction and revenge make *Les Liaisons dangereuses* (1782) one of the most scandalous and controversial novels in European literature. The subject of major film and stage adaptations, the novel's prime movers, the Vicomte de Valmont and the Marquise de Merteuil, form an unholy alliance and turn seduction into a game - a game which they must win. This new translation gives Laclos a modern voice, and readers will be able to judge whether the novel is as diabolical and infamous as its critics have claimed, or whether it has much to tell us about the kind of world we ourselves live in. David Coward's introduction explodes myths about Laclos's own life and puts the book in its literary and cultural context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
