When Sasha meets Elliot a month before her wedding to Pete, the news he brings seems incredible. He claims to have arrived from the future, explaining that their timeline was knocked off course in 2010, preventing them from meeting, and begs her to find him in the present day. But Sashas wedding plans are underway and though shes curious, Elliot turns out to be feckless, rebellious, and engaged to a glamorous and pregnant Belle. Hes not remotely her type and is instantly suspicious of Sashas motives for tracking him down, convinced his disapproving father has sent her to spy on him. Sasha decides to go ahead with her wedding, but a previous connection with Elliots father finds her doing the catering at a dinner party at his house. With the help of her best friend, Rosie, she soon discovers that Elliot has sadness in his past, and that Belle is up to no good.
