The amparo suit is a Mexican legal institution similar in its effects to such Anglo-American procedures as habeas corpus, error, and the various forms of injunctive relief. It has undergone a long evolution since it was incorporated into the Constitution of 1857. Today, its principal purpose is to protect private individuals in the enjoyment of the rights guaranteed by the first twenty-nine articles of the Constitution. Mexico after its independence produced many constitutions. One of the earliest problems was to find an adequate means of defending the Constitution against ill-founded interpretations of its precepts. Like the United States, Mexico has developed a system of constitutional defense in which the judiciary is the supreme interpreter of what this document means. Unlike the United States Supreme Court, however, the Mexican Supreme Court has not been innovative in its decisions or contradicted the administration on major policy decisions. This difference must be attributed to the civil law system of Mexico as well as to the political climate. The first part of Richard D. Baker s book describes the historical background of amparo and other methods of constitutional defense in Mexico. The three men most closely associated with creating a judicial form of constitutional defense in Mexico were Manuel Crescencio Rejon, Jose Fernando Ramirez, and Mariano Otero. Their own writings indicate that the immediate source of amparo must be found in the American institution of judicial review that was transmitted to Mexicans through Alexis de Tocqueville s Democracy in America. The second part is an exposition of the workings of the amparo suit in the twentieth century and the constitutional and statutory provisions affecting it. Since 1857, when it was incorporated into article...
