

Computer Confluence (5th Edition)

Filesize: 6.49 MB

Reviews

Without doubt, this is actually the greatest operate by any writer. It is really basic but surprises within the 50 percent of the ebook. I discovered this ebook from my i and dad recommended this ebook to understand.

(Mrs. Chelsea Hintz)

COMPUTER CONFLUENCE (5TH EDITION)

Pearson Education. Softcover. Book Condition: Neu. Gebraucht - Sehr gut Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - When powerful forces come together, change is inevitable. As we enter the 21st century, we're standing at the confluence of three powerful technological forces: computers, telecommunications, and electronic entertainment. The computer's digital technology is showing up in everything from telephones to televisions, and the lines that separate these machines are eroding. This digital convergence is rapidly and radically altering the world's economic landscape. Start-up companies and industries are emerging to ride the waves of change. Some thrive; others live into oblivion. Meanwhile, older organizations reorganize, regroup, and redefine themselves to keep from being washed away. Smaller computers, faster processors, smarter software, larger networks, new communication media-in the world of information technology, it seems like change is the only constant. In less than a human lifetime, this technological cascade has transformed virtually every facet of our society-and the transformation is just beginning. As old technologies merge and new technologies emerge, far-fetched predictions routinely come true. This headlong rush into the high-tech future poses a challenge for all of us: How can we extract the knowledge we need from the deluge of information? What must we understand about information technology to successfully navigate the waters of change that carry us into the future? Computer Confluence: Exploring Tomorrow's Technology is designed to aid travelers on their journey into that future. 511 pp. English.
