

Keeping It Simple (Paperback)

By John W Wheeler

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Though this terse collection of verse may not be entirely devoid of superfluity, it strives to present poetry that is at once accessible and unambiguous. The more than two dozen poems, written out of the author's observations and imagination, are accompanied by photographs that complement the text and bring a visual dimension to the reader's experience. The final result is a delightful and often thought-provoking compilation that, while true to its title, proves there is often considerable profundity just below the surface of even the simplest of life's perceptions.
