

A Guide to Vegan Nutrition (Paperback)

Filesize: 2.79 MB

Reviews

This book might be worth a study, and superior to other. It can be written in easy words and phrases and never confusing. I am just happy to inform you that here is the greatest ebook I have got read within my personal daily life and may be the best pdf for actually.

A GUIDE TO VEGAN NUTRITION (PAPERBACK)

DOWNLOAD

Vegan Publishers, United States, 2015. Paperback. Book Condition: New. Kara Maria Schunk (illustrator). 277 x 211 mm. Language: English . Brand New Book. Based on the first US credit-bearing college program in Vegetarian Studies (taught by registered dietitian George Eisman at Miami-Dade College), A Guide to Vegan Nutrition is a thorough and authoritative work on vegan nutrition. Drawing on current research, this book covers a variety of topics, including protein, carbohydrates, fiber, lipids, digestion and absorption, vitamins, minerals, how to prevent diet-related diseases, risks and benefits of vegan diets, and descriptions of healthy vegan diets for all stages of life. Each topic is covered in depth, yet this book is concise and the style is readable and straightforward. Also included are illustrations, practice tests, answer keys, an index, and an opportunity for self-paced study leading to a certificate. A Guide to Vegan Nutrition is an excellent resource for both long-time vegans and for those who want to transition to a healthy plant-based diet. After reading this book you will be able to answer questions from friends or health professionals who are skeptical about plant-based diets. It has been used as a text for college courses and as a nutrition reference guide by many instructors of vegan food preparation classes.
