What would happen if a little boy met the Big, Bad Wolf and brought him home Whos afraid of the big, bad wolf Not the young hero of this thoroughly unique story. And, it seems, no one else is, either: instead of being the magnificent villain of The Three Little Pigs or Little Red Riding Hood, this wolfs a wimp. So the boy decides to take the pitiful creature home and teach him to be scary once again. Can he do it Children will absolutely love seeing the tables turned, with the small boy becoming the wise teacher and the wolf the sheepish student. The short chapters and breezy, funny text are just right for new readers, and Delphine Perrets line art is simply irresistible. This item ships from multiple locations.
