AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When Warren left, Blaine wondered why me? She had always stepped up to the plate for the good ole boys but really didn t know if they would return the favor or if it were a one way street with them. But then again, if you knock on the Devil s door, it opens, and you cross that threshold, no one really knows what a menacing outcome may await. There were two pictures of babies (probably two or three months old) and on the back an inscription: My two sons, Joe and Rory. I love you. Mrs. Coleridge started by saying, I ve been thinking about this day for a long time, Joe. I m happy it s finally here. It s time to rid myself of secrets I ve kept so many years. After a few words from the clergy, it was time to lower the casket. Mercedes with her daughter and granddaughter by her side placed a single rose on it and in a soft voice vowed, Our secret will never be revealed; nothing will taint the memory of our time together; I will kill first. In college she was a fierce competitor and graduated with high honors, but few friends. She always found someone s Achilles heel and took advantage, and with no conscience going right for the throat. Just like her father.
