The Struggle between England and Her Colonies 4. The Critical Period, 1783-1789 (1) THE GROWTH OF DISCOVERY AND SETTLEMENT IN AMERICA M. JULIA DETRAZ What nations had made explorations in America before 1600 What did these nations do to establish their claims to this land Let us find out how the English founded their first colony or settlement in America. Growth of the English Colonies Virginia What attempts at American colonization had been made by the English prior to 1600 By whom were these made All attempts at colonization had been made by individuals. How did these individuals obtain the necessary funds Through private fortunes, some help from the crown, and money from friends as investment. Why were these men willing to put their money in these expeditions They expected great wealth and treasure from the new land. How would the fact that these attempts were made by individuals using private capital affect the success of the settlements Often there was not enough money to maintain the colony after it was planted. What foreign power would object to English settlements in America On what grounds could Spain object What rival claims could England make John Cabot had explored Eastern coast in 1497-1498. How could Spain make settlement more difficult for the English What was the final result of the quarrel between Spam...
