Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I realized it had in fact changed me, changed the way I think.

At fifteen my heart was set on learning; at thirty I stood firm; at forty I had no more doubts; at fifty I knew the will of heaven; at sixty my ear was obedient; at seventy I could follow my heart s desire without overstepping the boundaries of what was right. - Confucius Confucius has no interest in falsehood; he did not pretend to be prophet; he claimed no inspiration; he taught no new religion; he used no delusions; flattered not the emperor under whom he lived. - Voltaire Many people argue that Confucius is the most influential person of all time, and if having a significant effect on the greatest number of people is the criterion, he may very well be. China is one of the largest and oldest civilizations on earth, and Confucius has been influential there from almost the beginning: the first Chinese dynasty was founded around 1600 BCE and Confucius lived from 551-479 BCE. Although he is still one of history s most famous philosophers, Confucius was in many respects an unremarkable man, and even his physical features were said to be unattractive. There is little evidence that he thought of himself as a harbinger of any kind, but shortly after his death, writings, sayings, and theories based on his life and ideas spread throughout China and even took hold of the imperial court of one of the most powerful and important dynasties, the Han (206 BCE-220 CE). It was during the Han Dynasty that Confucianism became closely tied to state affairs, and it..
