By Joplin Emberson

Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 173 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.Has someone you trusted turned on you? Have you poured your life into the ministry to find that many people you've cared for don't care for you? Have you discovered that the personal sacrifices you've made to spend your life helping others aren't appreciated by most of the people in your ministry? Ministry is brutal. Ministry is hard work with little reward, at least in this life. Most people enter the ministry with high hopes of changing the world and being loved by everyone else for doing so. A few short months later, that illusion fades and we all wake up to the reality that we're in a spiritual battle. In *The War Within*, Pastor Joplin Emberson calls the leadership of the church to come back to the front lines with courageous hearts. This hard-hitting book is upfront and unapologetic, while providing practical, biblical answers to the right way ministry leaders should handle the conflicts of the ministry.
