Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Trystan Yundt)

I'M OK--YOU'RE OK

QUILL BOOKS Jul 2004, 2004. Taschenbuch. Book Condition: Neu. 203x134x20 mm. Neuware - Transactional Analysis delineates three observable ego-states (Parent, Adult, and Child) as the basis for the content and quality of interpersonal communication. 'Happy childhood' notwithstanding, says Harris, most of us are living out the Not ok feelings of a defenseless child, dependent on ok others (parents) for stroking and caring. At some stage early in our lives we adopt a 'position' about ourselves and others that determines how we feel about everything we do. And for a huge portion of the population, that position is 'I'm Not OK -- You're OK.' This negative 'life position,' shared by successful and unsuccessful people alike, contaminates our rational Adult capabilities, leaving us vulnerable to inappropriate emotional reactions of our Child and uncritically learned behavior programmed into our Parent. By exploring the structure of our personalities and understanding old decisions, Harris believes we can find the freedom to change our lives. 320 pp. Englisch.
