THE COLUMBIA GUIDE TO AMERICAN INDIANS OF THE GREAT PLAINS

Columbia University Press, 2003. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A brilliant framework for covering the rich ethnographic and historical material from the Plains under a conceptual rubric that relates the material to larger questions in history, anthropology, and American Indian studies: what changes historically in native cultures, what remains the same, and how do native peoples struggle against the colonial situation!. Fowler has come up with a very compelling organization that will make the work both readable as a text and usable as a reference source.
