Institute of Southeast Asian Studies. Hardcover. Book Condition: New. Hardcover. 116 pages. Dimensions: 9.1in. x 6.0in. x 0.7in. With the rise of India and China, the rest of Asia is feeling the great impact of socio-economic changes and challenges created by these twin engines of progress and cooperation. The question on the minds of regional analysts is: Where is Russia in the midst of these vast changes? What is its role? How and why is a great power like Russia adopting such a low profile in the region? In what ways can ASEAN engage Russia? Currently, Russia's interaction with ASEAN is limited to dialogue between both parties; trade between both sides is categorized by Russian arms sales and ASEAN raw materials. This book sets out to help explain these anomalies and puzzles, by examining the state of relations between Russia and selected individual ASEAN countries. Several interesting ideas are offered, such as a proposal for a Russia-ASEAN FTA; building tourism/business bridges through budget airlines; and proposals to strengthen and energize the ASEAN-Russia dialogue. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
