PARALLEL LINES: THE GLASGOW SUPREMACY, the first in the Thoroughgood series of crime novels by RJ Mitchell, is an edgy, fast-paced crime thriller set in the streets of Glasgow, that tells the story of the deadly rivalry between Detective Sergeant Gus Thoroughgood and his criminal nemesis, Declan Meechan. With Meechan on the verge of complete control of Glasgow's lucrative drug trade after bludgeoning his rivals into bloody submission, Thoroughgood vows to be the cop that will bring the crime lord down. The lethal intensity of their conflict is heightened by the presence of Celine Lynott, the woman who broke Thoroughgood's heart ten years earlier, and looks set to do so all over again when she agrees to be Meechan's wife. Parallel Lines is a powerful and compelling story with a real sting in the tail that draws heavily on the author's 12 years of experience as a Glasgow cop. With the pace of the book unrelenting and the action sequences, including one unforgettable whitewater adrenalin pursuit through Glasgow's Clyde Tunnel, the breathtaking, Parallel Lines is a debut novel that is visual feast for the mind's eye.
