WEAPONS OF LIGHT (PAPERBACK)

Tate Publishing Enterprises, United States, 2008. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.The invisible warfare. A real and present threat to the world of Christianity. Weapons of Light takes you into the near future, where Pastor Jim Lockhart and his wife are threatened by the works of darkness as they battle for their evil and corrupt community. The majority of citizens are unaware of the invisible warfare for their lives. Their only hope rests in the prayers of the faithful, as angels combat demons desperate to retain their domain. Weapons of Light illustrates what strongholds take control when believers allow false doctrine into their lives. Author Ann Winters presents a world not unlike our own, where politics interfere with the freedom of Christians. You will be encouraged and inspired through this page-turning story of endurance against the greatest threat to the Church during the pre-Anti-Christ era: the lack of prayer and faith.
