## A HEARTBREAKING WORK OF STAGGERING GENIUS

Vintage. Paperback. Book Condition: New. Paperback. Dimensions: 7.9in. x 5.1in. x 1.3in. The novel centers around a protagonist that faces atrocious obstacles in modern life and manages to write it out for us beautifully, at times light and easy. His parents die and he inherits the job of taking care of his seven year old brother Christopher when he was only in his early twenties. He went straight from loosing his parents, his guidance and back up. . . to the role of the parent and glue that holds his relationship with Christopher together. Not to mention his ventures to find the modern 20 something job such as editorial work at independant mags. It is a stream of conscious style work, weaving its way around like the worries, loves, and thoughts of David Eggars. A fantastic story, well written and easily read, though at times confusing and make one think for a while. Thats the good stuff in book though! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
