

Bee Me

By Elle J McGuinness

Andrews McMeel Publishing, United States, 2014. Board book. Book Condition: New. Heather Brown (illustrator). 150 x 150 mm. Language: English . Brand New Book. The New York Times bestselling Bee Me, in a new board book format. Just like the New York Times bestselling Bee Me, the mini abridged Bee Me A board book features the same great story and pictures that have won the hearts of legions of kids and parents all across the country. The heart of the book is a sweet tale teaching kids the important role bees play in nature. This new smaller format is ideal for younger children and smaller hands. A beautiful, heart-warming book that helps children (and adults) understand how essential bees are to the planet. Bee Me makes a great read for any budding environmentalist. Highly recommended. -- Eco Mamas Guide to Living Green.

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
