High Intensity Interval Training HIIT is for Dummies This is real weight loss motivation here folks. If you are someone who is looking to find your fitness and get on the road to better overall health, then this is an absolute must read before you decide to dive into any type of workout plan or program. High Intensity Interval Training, or HIIT for short sure does sound cool and exciting am I right? But is HIIT the optimal choice for everyone when it comes to finding their solution for burning off fat? This is why I wanted to write this book. I know that out in the real world where I choose to live, not everyone is healthy enough to even be contemplating adding in HIIT to their arsenal of workout tools when it comes to fat loss. There are so many factors that come into play when it comes to a persons body s ability to burn fat, that to just think that adding in a fresh new acronym to your workout routine will be like magic and make the body fat disappear is ridiculous and only setting a person up for ultimate failure. High Intensity Interval Training the FAD is just another marketing ploy that is hyped up to once again dupe the average everyday bandwagon jumper into believing that this acronym is somehow a cut above all of the rest of the other acronyms. So many people have been utilizing HIIT way before they even invented the hyped up fad,...
