Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Nature and Necessity of Catechising It seems to be one great happiness of the present age, that strife about words, and a blind zeal for opinions visibly abates, but then it is no less visible that a true zeal and just concern for the substantial of Religion is abating likewise; and if this be not some way remedied, there is room to apprehend that we may soon fall as far short of former times in point of practice, as we exceed them in all parts of speculation. In order therefore to remove the growing levity and lukewarmness in subjects of this kind, at least prevent it from infecting the next generation; to restore that sober sense of and regard for these things which the importance of them must require; it may be proper to look back a little to the foundations of Religion amongst us, and see how rationally they are laid, and whether any improvement may be hoped for in this respect.
