### A FANTASTIC CRUISE TO THE ZENITH. THE PLACE OF YOUR DREAMS

Trafford Publishing. Paperback. Book Condition: New. Paperback. 380 pages. Dimensions: 8.4in. x 5.4in. x 0.9in.You can realize your dreams! After all, as a man thinks in his heart, so he is--is the place of your dreams not in your own heart However, the big question is, have you ever had a great dream in the day with your eyes wide open If not, has one ever been revealed to you in your sleep My dear, what have you done to, and with your dreams Did you transform them into creative physical thinking, or did you allow someone to successfully lie to you that such dreams are signs of an impending illness Usually in a place like Africa, when men dream great dreams, they are accused of having a bout of malaria. But the sheer truth is, only men who have dreamt great dreams have also turned out to be great in life--only nations who have dreamt great dreams have also turned out to be great in the committee of nations. Martin Luther-King Jnr. once had a dream; Bill Gates also, definitely did have a dream; and today, I have a new dream--that you, can become the man or woman of your own dreams--the happy millionaire, the quintessential preacher, the excellent career person, the best athlete, the music star, the banker par excellence, name it--you can be whatever you want to be. Basically, A Fantastic Cruise To The Zenith is an excellent allegorical guide to the place of your dreams--wherever it is. But beyond that, it also guides you to a point of new discovery--the Zenith: the state of assured eternal security, the realm of abundance, and the regime of highest achievements. I count you rather blessed and favored to behold this divinely inspired message received in line with my vision...
