Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The fully illustrated definitive guide to publishing your book on CreateSpace and Kindle with Microsoft Word 2007, 2010, 2013. Not Another Book on Self-publishing? Yes, this is another book on self-publishing your book, but it s a book with a difference, a major difference. 21-years of Experience with Microsoft Word You see, it s written by an author with 21-years of experience with MS Word. One who designs Word templates professionally and, more importantly, who knows not only what you should do with Word, but also what you shouldn t do. Microsoft Word is Not the Book Author s Best Friend Believe it or not, Word is not geared for creating books. My guess is you ve tried Word and had problems, right? Lost documents, unpredictable behavior, and so much time wasted. .and for no apparent or obvious reason! (I can assure you, we ve all been there.) Word will throw obstacles and barriers up to foil and frustrate you and you won t find it particularly easy because of the way it s designed....
