The Manuscript I: The Secret-the novel that broke all sales records in Amazon in Spanish-is now available in English, German, and French. Nicholas Blohm, an author stuck in writer s block, runs into an enigmatic little man who gives him a manuscript. The story written on the manuscript s pages fascinates Nicholas so much he decides to publish it as the novel that will finally bring him the prestige he has long sought. But there is a catch: the words written in the manuscript disappear. Desperate, Nicholas checks online to see if anything in the novel connects to real life. To his utter amazement, all the characters in the manuscript exist in the real world, and everything he read about is taking place right now. From then on, the most important thing in the world for him is to get in touch with the manuscript s characters, who live in Rome. He must finish the novel. But reality turns out to be much more interesting than fiction. This thriller takes readers on a fourteen-day journey from the catacombs of Armenia to the chained library in England.
